“WELCOME TO THE WORLD OF FANGIO”

Fangio Lighting Inc. has been the premier lamp source for discerning customers throughout the world since 1981.

It is with great pleasure that we introduce to you our latest collection of first quality, aggressively priced table and floor lamps, that we are confident will attract the interest of not only your retail customers, but of Designers, Architects and Hospitality-type Specifiers as well.

Many of the products shown in this catalog are proudly made in the U.S.A. With 40 different “choose your own” standard finishes available on all our Ceramic lamps, as well as our capability to match a custom finish of your choice, the opportunity to help make your customer’s project one of distinction, can be easily achieved.

We appreciate you taking the time to review this literature and thank you for your consideration. If, by chance, you are looking for something specific that you don’t see in this catalog, we urge you to visit our website at www.fangiolighting.com for an even greater in-stock selection of both table and floor lamps. In addition, our custom fabricators are readily available to manufacture specific product exclusive to your needs, if the opportunity presents itself.

We look forward to assisting you in the future.
